## Vic McPherson Heads Local UGN Drive

V. A. McPHERSON

Committee chairman for the 1957-58 United Good Neighbour Drive were named Wednesday night at a meeting in the New Westminster City Hall.

City lumber merchant Vic

McPherson will head the White Rock and District Drive, Bill Hughes, Campaign Chairman announced. Other Committee heads are: Harold Davis, of White Spot Farms, King George Highway, Newton; Allan Davidson, Cloverdale; Joe Chesney and Hadon Bolivar, Whalley.

Mr. McPherson, originally set up the Red Feather Drive in Surrey in 1949, which later was superseded by the present UGN organization. He was at that time a Surrey Councillor and acted as Council representative. Two years ago Mr. McPherson assisted with the local UGN campaign when it was sponsored by the White Rock Rotary Club.

Martin Deacon, Manager of the local Bank of Commerce, is a member of the Board of Directors, and in 1955 was chairman for the drive in the White Rock area of Surrey.

## COUNCIL BREVITIES

Ald. William Hodgson pointed out Tuesday that under the present zoning bylaws, the entire City of White Rock is zoned urban residential, which allows for multiple dwellings to be constructed. Matter arose when A. M. West appeared before council representing residents in the Hilltop area protesting extension of a four-unit auto court at 15867 Pacific. The zoning by-law allows for auto courts.

White Rock's new Welfare Offices will be ready at the end of this week or the early part of next, Ald. Len Parker told Council Tuesday. Renovation of RCMP quarters will begin at the end of this week, he said. The offices will be at the corner of Pacific and Foster Streets. The Provincial Government will provide two social workers on the welfare staff.

Joint meeting between City Council and Surrey Municipality will be held Thursday, June 13 at 7.30 p.m. in the Municipal Hall, Cloverdale.

Council received a letter from C. W. Harrison, assistant Commander of E Division of the RCMP in Victoria, which stated the necessary documents which allow for seven men and one police car to serve White Rock will be forwarded for Council's signature shortly.

R. W. Long, City Clerk of Prince Rupert for 11 years, will take over his duties as White Rock's Clerk, July 1, replacing Neil Saunders who resigned recently. He will act as assistant clerk and treasurer until the elected Council is installed. He will receive a salary of \$600 per month. Civic Administrator Leslie Brice has been acting as City Clerk.

Recommendation by White Rock Branch of the B.C. Historical Association that Council ask the incoming elected body to record all important historical events in this district and set up a liaison between Council and the Association was accepted by the City Tuesday.

R. M. Grauer, former Richmond Reeve, will act for White Rock in the arbitration proceedings with Surrey.

Council will consult the Lower Mainland Regional Planning Board and the White Rock Postmaster as to the ruling on street numbering in the City. Ald. William Offer received support from Council in his suggestion that White Rock retain its original street names. Mayor Deleux agreed on the proposal stating there was nothing more uniform than a cemetery and he did not wish White Rock to be considered as such.

City Solicitor Lorne Jackson will examine the titles of Ruth Johnson, Letourneau, and Collicutt Parks to determine the City's stand in regard to park land.

## Groynes Only Method Of Beach Protection Jaycees Learn

White Rock must construct groynes if it wishes to preserve its beaches—"the best there is," Stuart Brown, pioneer engineering expert, told the Junior Chamber of Commerce Monday.

"White Rock is the Atlantic City of this metropolitan area with the best bathing beaches and greatest potential value that can be found anywhere," Mr. Brown said.

He warned that without the beach White Rock "doesn't amount to anything."

Mr. Brown recommended that a four-foot groyne about 50 feet long be erected about half a mile south of the pier as a first step in preserving the beach.

The only expense incurred in this project would be the cost of transporting rocks, as volunteer labour and machinery could be found to haul

gravel and bury logs to form the barricade, the 75-year-old former engineer pointed out.

Stuart Brown was a key figure in groyne construction at Spanish Banks in 1927 and also played a major role in the development of Bowen Island. He was assistant superintendent of the Pacific Great Eastern Railway for a number of years. The Jaycees, who stage an annual beach cleanup campaign, invited him to talk to them on his ideas of beach improvement.

Mr. Brown predicted even-

tual removal of the Great Northern Railway between Blaine and Crescent, to be replaced by a scenic drive. He also foresaw a Lagoon in the Semiahmoo Park, not unlike that of Lost Lagoon in Vancouver's Stanley Park.

He did not feel the idea of a boat basin in Semiahmoo Park feasible because of the great expense and a basin would ruin the beauty of a Lagoon.

Mr. Brown labelled the Federal breakwater as an "engineering monstrosity."

## McGivern Outlines New Housing Scheme

The problems of inadequate water supplies, sewage systems and paved roads, faced by many municipalities, particularly Surrey and Delta, may be solved following a new proposal made this week.

The unique suggestion calls for an extension of the National Housing Act to provide for loans to municipalities such as Surrey for the purpose of constructing services in areas in which NHA homes have been built.

The formula is the brainchild of Hugh McGivern, who is currently campaigning as the Liberal candidate for the New Westminster constituency.

Outlining his proposals this week, Mr. McGivern said that the problems of water supply, sewage and road-paving were very much in the minds of homeowners at the present time, particularly in the Surrey area.

The McGivern formula, which is expected to receive close consideration by the Central Mortgage and Housing Corporation, would provide the loans to municipalities at cost. Regarding the provision of funds for the plan, Mr. McGivern said the money could be the accumulated surplus of insurance premiums paid by borrowers, and could be loaned at little or no interest rates—or other

HUGH MCGIVERN

such funds as the Government might make available for the purpose.

Mr. McGivern criticized the provincial government for its lack of concern for municipalities which have found themselves in this plight.

"The provincial government has totally ignored the situation," he said. "The tax-rebate scheme could easily have taken the form of grants to municipalities for the purpose of alleviating the problems of inadequate sewage, water and road-paving, but the provincial government has completely failed to recognize this," he said.

## No Application Made For Leasing Semiahmoo Park

Department of Citizenship and Immigration informed City Council Tuesday that no application has been filed for the leasing of the remainder of Semiahmoo Indian Reserve.

Surrey Municipal Council decided May 13 to seek negotiation with the Department of Indian Affairs for the leasing of the remaining portion of the Reserve following requests by private citizens for lots on a 10-year lease basis. Surrey expressed fear that if leases were issued all desirable property would be taken and the Reserve would be lost for park purposes.

White Rock City Council agreed May 7 to ask the Lower Mainland Regional Planning Board to give priority to the development of the Reserve as a park. Council decided to apply for a

lease for the development of the park and the proposed boat basin.

In a letter to Mayor C. M. Deleux dated May 27 H. M. Jones, director of the Department, said that no application had as yet been made for the leasing of available Reserve property.

The letter said the matter of establishing a park had been under discussion for some time, but had never passed the discussion stage.

"White Rock's application will be given consideration, but the over-riding concern of Hon. Mr. Pickerskill and his Department is the problem of securing reasonable revenue from the land for the Indian Band," Mr. Jones' letter stated.

Council will investigate the matter further.

## Council Shaky On Pier Development Stand

City Council will ask the Department of Lands and Marine Holdings Ltd. of White Rock to provide copies of the leases held by concerns in the pier and foreshore area.

Permission to extend a boat-landing platform adjacent to the pier as asked of Council Tuesday by Marine Holdings Ltd. and British-American Oil. Council hopes to secure all leases in an effort to determine its stand in regard to granting licences to commercial concerns and collecting fees.

Mayor C. M. Deleux said he was not sure of the authority Council had in giving permission for the extension. He said the Department of Transport had informed him that the pier was not built as a promenade for pedestrian traffic but as a government wharf.

City Solicitor Lorne Jackson reported that the Canadian Legation had acquired a

lease for the building on the pier in 1948 and renewed it for 21 years in 1949. Marine Holdings Ltd. later acquired the lease. Ald. Len Parker said the building was hooked up to the White Rock sewer system.

The Solicitor felt there must be a general bylaw giving Council some prerogative to act on this matter.

Mayor Deleux commented permission was being asked only for extending of existing facilities on the east side of the pier.

City Council decided at their May meeting to ask the Department of Public Works to refuse any application for commercial development in the pier and foreshore area until Council granted permission.

White Rock Amateur Swimming Association and the Sea Festival Society were opposed to any boating development in these areas.

## Catepillars Galore In Fruit Orchards

Catepillars galore are raising havoc in local gardens and fruit orchards this year.

Whether the hot, dry spell is the cause of the sudden increase in the pests or whether they come in cycles seems of little importance, but there's no doubt they are here en masse.

Hilltop merchant Don Shaw said Tuesday it was the worst year he has ever seen with fruit growers buying a constant supply of sprays.

## Rev. R. Talbot Installed Rotary Pres.

A former member of the Chilliwack Rotary Club and Past District Governor, now resident in White Rock, acted as installing officer at Rotary installation ceremonies held Tuesday night in the Silver Moon. W. H. Hicks, at one time superintendent of the Agassiz Experimental Farm, installed Rev. Rodger Talbot, president; Harold Davis, vice-president; Charles Caldwell, secretary; Don Crawford, treasurer; Harry Blomme, Sergeant-at-Arms; and Bob Langlands and Ted Scriven, directors.

His Honour Judge G. W. Bruce Fraser was guest speaker, taking as his subject "Naturalization of New Canadians." Retiring president John Hunter, outlining the year's activities stressed Rotary's Young Centre project and the support given to the Little League.

Mr. Jim Shaw introduced the guest speaker and Mr. Wm. Davidson moved the vote of thanks.

## Duckworths To Open Store In Hilltop

In an interview with the Semiahmoo Sun today W. G. Duckworth, Cloverdale, confirmed reports that Duckworth Stores Ltd., are planning to open for business in White Rock in the near future.

They have rented the former Wall's Food Market premises on Johnston Road.

The well-known Valley firm already has stores in Langley, Cloverdale and Whalley. Original store was in Langley.

## WHITE ROCK ARRESTS

## Gaol Sentences For Beach Offenders

Magistrate John Hunter warned Tuesday stiff gaol sentences would be imposed on offenders taking part in riots such as the one Saturday night which turned Crescent Beach into a fighting madhouse for nearly 90 minutes.

Passing sentence in Cloverdale Police Court on four youths arrested in the wild affair, Magistrate Hunter said:

"I'm going to put a stop to this outbreak of hoodlumism at public beaches. Next time I will impose a straight gaol sentence on offenders of this kind."

Sentenced were: Donald Arthur Halliday, 21, of 4065 William, North Burnaby; \$75 or 60 days in jail

for consuming liquor in a public place and an additional \$100 or 60 days consecutive for obstructing a police officer.

Alfred John Isherwood, 21, of 6894 Inverness, Vancouver, \$100 or 60 days for creating a disturbance by fighting.

Robert Duncan, 21, of 785 South Skeena, Vancouver; \$125 or 75 days for creating a disturbance by being drunk and fighting.

Wilbur Symington, 19, of 13860 108th Street, North Surrey; \$30 or 20 days in jail for creating a disturbance by being drunk, and an additional \$75 or 60 days consecutive for obstructing a police officer.

## To An Unknown Correspondent

Because we have once again received a letter from an unknown correspondent, who failed to give us his own name merely signing himself (or herself) "A Newcomer to White Rock," we feel it necessary to repeat here the policy governing the column "Letters to the Editor" on this page.

It is simply this: All letters for publication must give the Editor the name and address of the writer or they cannot be published. The writer may use a pseudonym (though we would prefer he didn't) but he must give us his real name as well.

"A Newcomer to White Rock" may have wished his letter to reach the wider audience of the subscribers to this paper. If so, he could have done so through following the above procedure.

The Editors welcome letters for publication but for obvious reasons must adhere to the above rule. Letters on a variety of subjects, giving individual opinion are interesting reading and the column acts as a forum for the exchange of views and ideas.

In the case of our letter from "A Newcomer to White Rock" we must point out one error on his part. The item in the paper to which he referred was not an editorial. It appeared in a signed column in another part of the paper. In the case of columns the ideas expressed are not necessarily subscribed to by the Editor.

This is common newspaper practice which most people recognize and accept. However, a letter to the Editor, commenting on a signed column, is also welcome and will be published, if the real name and address of the writer is given.

## On The Butter Front

It has just been announced by the Institute of Edible Foods, in Ottawa, that a decrease in butter production and an increase in consumption points to a shortage of that commodity very soon.

Seems that the surplus butter stocks, which had been stored in line with the government policy, are now down to three months' supply. Stocks on hand as of April 1 were reported to be 44,000,000 pounds, compared to 65,000,000 pounds a year ago.

Figures released on the decline in production showed that the first three months of this year amounted to only 29,000,000 pounds whereas last year's was 36,800,000 pounds for January, February and March. Consumption, on the other hand, was 73,200,000 pounds and in 1956, 70,400,000. Per capita that works out to about 18.78 pounds in 1955 to 19.15 in 1956.

Well, it is plain to see the handwriting on the wall in this fluctuating butter picture. As stocks go down prices will inevitably rise.

Mrs. Martha Housewife will sigh that she simply can't win. When the government was piling up surpluses (later sold in Europe at prices far below Canadian consumer ones) she couldn't afford to buy butter for all her family's needs. Now that the huge surpluses are going down she will still have to pay the high price.

The law of supply and demand says so, and it is very seldom wrong.

## Sharing Parks

It was a relief to hear last week that full co-operation between White Rock and Surrey is expected in everything pertaining to parks in both areas.

This is as it should be, for Parks in this whole Lower Mainland are most decidedly metropolitan in nature from the standpoint of use. Surrey Parks' Administrator R. Nicholson gave the right lead in this matter when he stated last week that the Lower Mainland Park Advisory Committee intend to press even harder for Provincial aid in developing such Parks as Semiahmoo Indian Reserve. He went on to say that the Lower Mainland Regional Planning Board prepared a brief one month ago, outlining the necessity for Government aid and sent it to Hon. Earl Westwood, Minister of Recreation and Conservation.

In spite of a "brush off" from this Department Mr. Nicholson has declared he will pursue the objective and has invited Mr. Westwood to attend the next meeting of the Planning Board early in July at Cultus Lake.

Most people will heartily agree with the contention of Surrey's very able Park Administrator that the Department's comparison of Lower Mainland Parks needs with Seymour is strictly a s-k-i-n-g park area, catering to a small group. Lower Mainland Parks, which include White Rock beaches and Semiahmoo Parks, are potential recreation areas for the 7,000,000 residents of the whole region. Out of 80 picnics held last year in White Rock and Surrey Parks, 69 were from outside the City and the Municipality.

This is plain proof that the beaches and parks bordering Semiahmoo Bay are in constant demand for vast numbers of people from adjacent cities, towns and districts.

Granted the government is attempting to catch up on a 30 year backlog of Parks development, both in the Lower Fraser Valley and in the Okanagan. But after all it is said and done there's little use in setting up a special department of recreation unless the next logical step is taken. For this whole area that means Provincial aid, now, not next year or next, for both beaches and parks.

## Community Profile

Rev. William B. Willan, D.D.

By F.W.H.

Anniversary services will be held in Crescent United Church on June 9, with a threefold commemoration, the opening of the first Church in 1921; the forming of the United Church of Canada on June 10, 1925; and the opening of the present new building last year. The congregation and the community are fortunate in having the leadership and gracious social influence of "The Willans," now happily settled in their own beautifully appointed waterfront home on Sanford Road.

Dr. Willan's understanding compassion with human need was learned in the school of experience. During his childhood in the English Lake District his father was invalided by an industrial accident, and the boy learned to meet hardship and responsibility at an early age. Seeking self-support he came to Canada when he was 16. After brief experiences on the Prairies he moved to Nelson.

While living there he became a candidate for the ministry, serving as a student at McGill. He entered Columbia College in 1914, enlisted when war broke out, and went Overseas in 1915 as Stretcher-bearer with Third Canadian Field Ambulance. He attended Khaki College at Ripon and with two other students, William Deans and George Hamilton, was ordained by Rev. Dr. Chown, General Superintendent of the Methodist Church, in a little French Church on the field of Waterloo.

### LET'S CHECK UP.

As White Rock now a City is, let's take stock of our actual standing. We should check up old agreements before deciding certain planning. Such as those made by the Railway, for its right to front our Beach. All documents now in Cloverdale, should be within our reach. In fact they should now be the property of our Council, 1 right-of-way. We should know the why and wherefore of the Railway's. Then no doubt the same applies to the Waterworks' position. Full data on both companies could effect a future decision. No doubt our Mayor and Council, have such things in their mind. And are already checking up, who knows what they will find? We don't expect our present Council to know all that's gone before. But ere its term of office ends, let's hope we'll know the score.

## The COMMON ROUND

A.J.P.

**STICKING ONE'S NECK OUT** in this day and age can sometimes be both unprofitable and risky. But I seem to have a penchant for that failing—if it can be called such, and I'll forthwith do so once more. This time it's the very ticklish subject of a site for a community centre and a new city hall. Already we have had more than one uncomfortable controversy regarding the situation of a very necessary building for part of civic administration—a police and welfare office. These things are bound to happen when an old order "yieldeth, giving place to new," and its nice when that can come about with a minimum of discomfort to all.

**GETTING BACK** to the sites I mentioned at the beginning of this column. Some folks have mentioned to me that the Hope estate, lying just above the main downtown thoroughfare, and going up the hill towards Buena Vista, would be an excellent compromise between the demands of what might be called "upper town" and "lower town."

If this were chosen for the City Hall it would have a magnificent setting with an unsurpassed view of water and mountains. In fact, I believe it would almost out-class Vancouver's much-boasted view from its city hall's 10th storey windows. But one thought occurs to me about this site, for either a city hall or community centre. What about parking? Planning today must look, not one or five years into the future, but at least 20. Unless by that time we are likely to be using helicopters for getting to work. I can't see the cars finding space enough around the buildings. Though I realize we might be more progressive than even the big city and plan for underground parking of our transportation vehicles.

ANYTHING which can make a city appear more un-

slightly than ranks up on ranks of parked cars I can't imagine. Vancouver has gone a long way towards ruining all that nature did for her in the way of beautiful vistas of mountain and inlet by strewn its streets with a heterogeneous mixture of parking lots.

Let's avoid that error if we can.

**THE GRADUATION BANQUET** and dinner last Friday night left me with many happy impressions of young folk saying "hail and farewell" to their Halls of Ivy, Semiahmoo High School. Happy that is, until I heard a little story which robbed me of one pleasant memory—the beautiful floral decorations, the work, I was told, of a student committee. Seems a good neighbour who has some lovely laburnum trees saw a car outside his drive way and discovered, too late, that some young folk had taken French leave of blooms, cruelly stripping the branches of bark as they ruthlessly tore the golden streamers off.

Dear Sir:  
It has been called to my attention that some irresponsible gossips have been circulating rumours about the Senior Citizens' Association, White Rock Branch No. 38. It has been alleged that a portion of our funds has been embezzled. There is absolutely no truth in these statements. Our funds are intact and we can account for every cent we have received.

## Abundance of Blossom.

This is a good year for abundance of bloom on fruit trees, ornamental trees and flowering shrubs, and some of the latter are most beautiful at the moment. Mother Nature has been very busy since the November 1955 wintering frost. Trees and shrubs, which were not killed outright or which died a lingering death, made some strong new growth during the last 12 months, and we are now reaping the benefit of the rest they underwent, producing few or no blossoms and very little fruit last summer.

We may well learn a lesson from all this and in many small ways help our trees and shrubs to take a certain amount of rest, particularly after a bumper crop.

It would be wise to thin out some of the fruit on trees which are overloaded, resulting in fewer and larger sized fruit instead of a lot of small ones. Then, too, any heavily loaded limbs should be given support before these break down.

Few of our spring-flowering shrubs give as much pleasure as the old-fashioned lilac. Only too often, though the old family lilac bush is permitted to go untended for year after year, and gradually the trussers of bloom become fewer and smaller. The most common cause of non-flowering or poor blooms is the presence of suckers. These sucker shoots spring from the roots, and as these "wild" suckers are much more vigorous in growth, they sap the bush of its vitality. These suckers originate from the lateral roots and must be cut off at the point of juncture with the root. To do this it is necessary to dig out the soil and expose this juncture and cut it off flush with the root. It is useless to cut them off at soil level.

Pruning is very essential with the lilac family, especially if you want quality instead of quantity in flowers. In all cases, the old flowers should be removed as soon as they begin to fade and before they can set seed, for making seed is a very exhausting process for any plant.

This operation of cutting off old flowers applies to all other shrubs and plants.

The pruning of lilacs is best done in late winter, because the flowering branches are so easy to identify then by the clusters of large, fat buds at the tips. The pruning job consists in taking out any branches which cross or which are growing toward the centre of the bush, any old wood which is preventing air and sunlight from reaching the centre portion.

This pruning is best done thoroughly every third year and the intervening years only a light pruning done.

Most flowering shrubs need pruning immediately after flowering. Some of the most valued plants in our gardens are the ornamental climbers on our walls, trellises and pergolas, but often their performance is ruined through

in later autumn, and tidied up along with the rest of the garden.

In consequence, the flowers which should have clothed their branches through the winter months have all been pruned away. The end of March or early April is the pruning time for these subjects.

The Clematises of the Jackman type should be pruned as near to Christmas week as possible. This type flowers on the young Summer growth, and last season's shoots should be cut back to a point near their base before new young growth starts from the forming buds.

But not so the Clematis montana. This one bears its cascades of white or pink flowers in May on last year's young growth, and if you take these off, you will have no flowers next Spring. Unless the montanas are growing out of hand, they are best left unpruned.

Wisteria is best pruned before the end of January—the sooner the better—so that the cuts will be healed before the sap starts to flow in the Spring. The vine should be trained to form a framework of permanent branches, each one furnished evenly along its length, with flowering spurs.

To accomplish this, each permanent branch should be allowed to retain only about 2 1/2 inches of new growth each year, and all other young shoots cut back to two buds.

## Good Year For Semiahmoo In Inter-high Sports

Another school year is drawing quickly to a close and looking back over the sport activity at Semiahmoo High during the past 10 months it can be said the school has had a successful athletic year.

Although for the first time since 1951, when the West Fraser Valley Soccer League was organized, Semiahmoo failed to win the League title, the team did not disgrace itself. Semiahmoo placed third in the circuit, behind Princess Margaret and North Surrey. The team was coached by Crawford Vogler.

Basketball came next on the High School agenda and Semiahmoo's senior boys exhibited their finest performance of recent years. The boys, coached by Clare Breen, ended in a first place tie in the Lower Valley loop with Princess Margaret and North Surrey.

### IN FINALS

Semiahmoo advanced into the Fraser Valley playoffs held at Mission and were defeated by Abbotsford 49-28 in the first game. The White Rock squad bounced back to down Port Moody 35-29 the

following night to keep their B.C. final hopes alive.

A powerful Chilliwack team spoiled Semiahmoo's chances riding to a 37-31 decision over the City team in the final game.

Semiahmoo's senior girls went through their complete 10 game scheduled undefeated and continued to win the Valley Championship, trouncing Abbotsford 40-22. The girls were coached by Les Martin.

In inter-high Volleyball, the senior boys placed third in the Valley Tournament and the girls, fifth. Semi's junior girls won their tournament and the junior boys placed second.

### TRACK MEET

The athletic year was highlighted by the Lower Valley annual track and field day held in Queen's Park. Semiahmoo placed third with 61 points. Delta won the meet, followed by Queen Elizabeth. Fern Walker of Semiahmoo won the senior girls' aggregate award with 10 points. The meet brought to an end another chapter of high school sport history.

### Elgins Continue Winning Ways; Make It 8 Straight

White Rock Elgins continued their winning ways last week by trouncing New Westminster Chief 25-1 Tuesday in the Royal City and edging Whalley 5-3 Sunday at Semiahmoo Park.

Dave Sperling pitched the Elgins to victory Sunday, allowing 6 hits, two of which were home runs. Whalley scored two runs in the second and two in the fourth inning. The hosts banged out ten hits, three by shortstop Eddie Fader, to reply with two runs in the second and score three in the fourth inning. Singh Tual was the losing pitcher.

A wild hitting spree against the Chiefs Tuesday gave Elgins their easy decision. Jake Block was the winning pitcher, relieved by Sperling in the fifth inning. The White Rock nine sent 14 batters to the plate in the second inning to score 10 runs.

In other Senior C action Sunday, Penitentiary Seals whipped the Chiefs 16-7 and Cloverdale downed Green Timbers 7-3 at Bear Creek Park. Thursday's play saw Newton defeat Green Timbers 17-1.

Elgins, who have won seven straight and tied one, strengthened their grip on third place in the league standing. They played Queensboro Tuesday and will host Newton Sunday at Semiahmoo Park at 6:30 p.m.

## TOWN TOPICS

By VIN COYNE

Friday is Graduation night for some 50 students of Semiahmoo High. It is the night when these students will receive a scroll of paper tied with ribbon which entitles them to ascend from the smooth plateau of school life to the next stepping stone of their choosing. It is the night of presentations, proud parents and mixed feeling on the part of those who are about to be separated forever from the surroundings which has had such great influence on them so far. Vancouver Sun columnist Jack Scott suggests there is just as much hope for the future success of the bottom half of the graduating class of 1957 as there is for the top. He tells the below-average students not to underestimate themselves because of their school scholastic standard. I don't think Mr. Scott would find a high ratio of inferiority complexes among graduates of 1957 as he would, say, of students going out into the world ten years ago. In a day when stress seems to be on educating students in self-confidence, a broad outlook upon the world in general, and giving special attention to the form of occupation they tend to pursue in later life, chances are the number of young people receiving diplomas this year with a heavy heart and fearful outlook toward the future will be well in the minority.

Surrey Rams Football Club finally sent out their belated membership cards to the many Club shareholders. With the card came an invitation to hear Herb Capozzi, general manager of the B.C. Lions, May 30 at Cloverdale. Only trouble was many of us received the invitation the day after Mr. Capozzi's address. White Rock certainly had its share of supporters at the Glasgow - Tottenham soccer game Saturday at Empire Stadium. This City is the home of many a staunch Scottish and English soccer fan, all of which seemed to be out in full force Saturday.

Surrey Council is "bluffing" in stating the Federal Government is still interested in an airport project in the North Bluff Road area, according to former Councillor Jack Burrows who organized spirited opposition against the proposal. Jack still maintains Ottawa has no further plans for the site, despite Surrey's refusal to School District No. 36 to use the area for a new school.

## White Rock's Mel Olson

### Chosen For Toronto Program

Mel Olson is the most surprised and pleased athlete in White Rock this week. He has good reason to be, having been chosen May 27 as one of three B.C. track and field coaches to attend the Canadian Olympic training programme in Toronto this August.

Although Olson had still not been officially notified Monday, and the B.C. Track and Field Association's decision was still "news" to him, the trip is now definite.

The training school, conducted by nationally-known coaches, is sponsored by the Canadian Legion and the Canadian National Exhibition.

Joe Haley of Trail and John Freeman of Vancouver will be the other two B.C. coaches to attend the school.

Olson, who excelled at track and field while attending high school here, will be the youngest coach ever to take part in such a programme. He was recently appointed head coach of the White Rock Track Club, following the completion of a track and field clinic conducted at Semiahmoo High in which Olson attained a higher percentage than any of the 24 coaches who took the clinic.

### Army, Navy Club Help Juvenile Ball

Juvenile softball received an equipment boost this week with the donation of three bats and three balls from the White Rock Army and Navy Club.

The juvenile team, which is ever in need of new or used equipment, greatly appreciated the generous gesture on the part of the Club.

Both Midget and Juvenile Boys play one home game a week, at Semiahmoo Park.

## Tigers' Losses Mark Little League Action

White Rock Tigers' winning streak came to an abrupt end last week as the Little Leaguers dropped two of three games—their first two losses of the season.

The Tigers started the schedule in fine trim defeating Cloverdale Dodgers Tuesday 15-7 at Cloverdale. It was their last win of the week, however, as Whalley Giants whipped the visitors 14-4 Thursday and Newton Braves triumphed 18-1 Saturday at Semiahmoo Park.

The Tigers, sparked by the pitching performance of Rodney Weigand, scored seven runs in the first inning, six in the fifth and two in the sixth against Cloverdale. John Welch was the losing pitcher. The Giants held their visitors to three runs in the second and one in the sixth while scoring two in the second, eight in the third, three in the fourth and one in the fifth inning, for their victory Thursday. Derwin Dunbar was the losing pitcher.

The Braves ran wild in the scoring column Saturday, bringing home five runs in the first, one in the second, seven in the fifth and five in the sixth inning. The Tigers scored their lone tally in the fourth. John Parsons started for White Rock and was relieved by Jimmy Mills in the fourth inning.

The Tigers host Whalley Cubs Saturday at 6:30 p.m. at Semiahmoo Park.

### L.L. Farm Teams Start Play Soon

Plans were discussed Sunday for the setting up of the Surrey Little League farm team scheduled at a meeting of all team coaches and managers at Whalley Herb Pinchin secretary of Surrey Little League and president of the farm system presided.

It was decided that all boys that registered for Little League play but failed to qualify for the first team, would get a chance of playing on the farm group. It was also agreed that farm team players would be given a cap but no uniform would be worn.

Harry Davey and Jack Dickson attended the meeting from White Rock.

Play is slated to open shortly so watch this paper for the complete schedule and support your local team.

### Many Showers Precede June Wedding

A busy week of showers has been experienced by Delores Carle, daughter of Mr. and Mrs. J. H. Carle, Stevens Street, who will become the bride of Mr. Neil Douglas Higgins, June 14 at Star of the Sea Church. Mrs. Dave Dawson, who will be the matron-of-honour at the June wedding, gave a miscellaneous shower at the home of her mother, Mrs. Pat Wood, West Westminster, on Friday. Those attending were Mrs. J. H. Carle, Miss Sylvia Hogg, Mrs. Robert Langlands, Miss Mary Langlands, Mrs. Bert Davey, Miss Kathleen McIntyre, Miss Lorraine Folka and Miss Shannon Wood. Before arriving at St. Mary's Hospital to take the party called at St. Mary's Hospital to take the bride-to-be's grandmother, Mrs. C. R. Davey, who was taken ill recently and will be unable to attend the wedding. Mrs. Alice Davey, the bride's aunt, gave a pantry shower last Wednesday with gifts being presented from a colourfully-decorated wagon. A corsage was presented to the recipient of honour. Mrs. Charles Brandon, of Blaine, the bride's grandmother, was in attendance. Streamers festooned with umbrellas and attached to a decorated chair added a different touch to the miscellaneous shower given by Mrs. Marie Davey, the bride's aunt. Among those present were Mrs. Paul Starak, Mrs. C. Arnold, Mrs. Harry Davey, Mrs. J. H. Carle, Mrs. Ethel Carmichael, Mrs. Len Parker, Mrs. Charles Davey, Mrs. Charles Brandon, Miss Marilyn Davey and Miss Edna Kreeger.

### OFF TO EUROPE

Mr. and Mrs. R. S. Shields, Tuttle Road, will leave shortly on an extended tour of Europe following Mr. Shields' retirement as Municipal School Inspector. At a tea and reception given in their honour by school principals and vice-principals and their wives the couple were presented with a handsome three-piece set of luggage to make travelling even more pleasant.

## Marriage Vows Read In Star Of The Sea Church

The Star of the Sea Church was the setting Saturday at 11 a.m. for the marriage service read by Rev. J. Francis for Janet Marion Lumley and Douglas Lawrence Joy.

The bride is the daughter of Mr. and Mrs. Ernest E. Lumley, Buena Vista Ave., and the groom is the son of Mr. and Mrs. Lawrence Joy, 393 Cope Street North, Hamilton, Ontario.

### BRIDAL PARTY

Given in marriage by her father, the bride wore a full-skirted ballerina length gown of white embroidered nylon featuring a shirred bodice trimmed with narrow white velvet ribbon. Her embroidered chapel veil fell from a pleated tulle coronet and her bridal bouquet was composed of white carnations, centred with red roses.

Her only attendant was her sister, Miss Nancy Lumley, who chose a charming frock of pale yellow, white-dotted net, over taffeta, in ballerina length, with a ruffled overskirt. She wore a white and yellow flowered headdress and

carried white carnations centred with yellow rosebuds. Mr. Victor Florio was best man.

At the wedding reception held in Buena Vista Hall, Rev. Father Franks proposed the bridal toast and telegrams of congratulation were read from the groom's mother and father and grandparents in Hamilton, who were unable to be present. Other telegrams came from relatives in Kitscoty, Alberta, Crossfield, Alberta, and from London, England, Fort William, Ontario, Cleveland, Ohio, and Calgary, Alberta.

### TRIP SOUTH

At the buffet luncheon served to the guests, Mrs. V. Florio cut the wedding cake assisted by Mrs. B. Phillips.

For the wedding trip to Southern U.S. the bride wore a beige bengaline duster over a yellow linen sheath, with yellow hat and beige accessories.

Mr. and Mrs. Joy will make their home in Senneterre, Quebec.

### Crescent Residents

#### Fight off Hoodlums

About 20 hoodlums and their girl friends, many of whom had been drinking, discovered early Sunday morning that Crescent is a poor place in which to create a disturbance. At least six were arrested and will be charged in Cloverdale police court. Others were attacked by enraged citizens until order could be restored by RCMP.

Five police cars were in attendance.

The disturbance commenced when the hoodlums tried to crash a beach party, then became belligerent and abusive and refused to leave when ordered by police to do so. At least one constable was assaulted.

An eye witness stated that he saw an RCMP constable knocked to the ground. Another said that a resident came to the assistance of police and restored temporary order by beating some of the hoodlums with a shovel that happened to be handy.

The feature of the incident was that the residents themselves were quick to come to the aid of the police, and did not seem to be intimidated by the hoodlums.

As one waterfront resident put it: "We want Crescent Beach to be a good place to come to for a picnic, and I'm not the only one who will fight to keep it so."

While RCMP refused to discuss the incident, it was learned that adequate precautions were being taken to prevent a recurrence of anything of this nature, and that a plan has been worked out.

### Surrey Watering Violators Face Supply Cut

Total restriction of water supplies may be the fate of violators of sprinkling regulations imposed in Surrey Municipality, Claude Harvie, Municipal Superintendent of Public Utilities, has announced.

The municipality has the right to prosecute as well but will likely only disconnect, Mr. Harvie said.

The present system throughout the area is intended for domestic use only, and this does not include sprinkling, he said. Some shortages in Sunnyside, Panorama Ridge and Whalley have already been reported and if unlimited

sprinkling were allowed some portions of these areas would be totally without water, the superintendent said.

Work on a 24 inch line across Pattullo Bridge to ease the Whalley shortage is expected to start by the end of June.

# Crescent CGIT Hold Banquet

The Intermediate Group, the Salsprays, and the Senior Group, the Eleccrests, joined forces to hold a Mother and

Daughter Banquet, on Monday, May 27, in the Crescent United Church Hall. The tables were decorated beautifully with spring flowers, and as each mother arrived, she was presented with a corsage. Guests of honour were: Mrs. W. B. Willan, Mrs. Robertson, president of the Women's Federation, Mrs. Frank Johnson, Mrs. T. W. Johnson, Mrs. Jack Barringer, president of the Evening Circle, and Miss Janet Turnbull. The tribute to the Queen was proposed by Miss Judy Hill, and the tribute to the Church by Caple Temblett, responded to by Mrs. W. B. Willan. Tribute to the mothers, was given by Lynn Wade, with Mrs. A. Thiessen responding. Mrs. Pugh, Leader of the Intermediate Group, presented attendance prizes to Caple Temblett and Judy Hill, Mrs.

R. McGregor outlining the work of the Senior Group, said that two of her girls, Gladys Ready and Glenda Thiessen, had graduated this year. Mrs. McGregor announced her own resignation as leader of the Senior group, and introduced Miss Janet Turnbull, who will assist with CGIT activities. Mrs. McGregor gave the attendance prize to Maryann McGregor, and presented CGIT autograph books to the two girl graduates. Mr. and Mrs. Cliff Adams and family are spending a couple of weeks holiday at their home on Crescent Drive. Mrs. Maude Morris, sister of the Misses Minnie and Mae Burpee, died in White Rock Hospital Thursday morning, May 30. Services were held on Monday at 1:30 p.m. in Uni-

ted Church, and cremation followed. Mrs. Morris was born in New Brunswick in 1875. The Misses Minnie and Mae Burpee are now very comfortably installed in the new 100F home on Trans-Canada Highway. It was officially opened the afternoon of June 2. Ocean Park Home Scene for S.C. Garden Party The Social Credit local group entertained at a delightful garden party at the home of the president, Mrs. O. Scott on Wednesday, May 29. During the afternoon Mr. Geo. Hahn, Social Credit candidate for New Westminster Riding, spoke to the gathering. Believing that home-ownership is a major factor in building a nation, Social Credit will encourage home ownership by instituting a new national housing programme, Mr. Hahn said. Mrs. Buda Brown, M.L.A. from Vancouver, and Mr. George Massey, M.L.A. were also present and addressed the gathering. Mr. Tom Irwin moved a vote of thanks to the speakers. Mrs. Hahn and Mrs. Brown were presented with corsages by Mrs. Scott. Mrs. T. Irwin and Mrs. G. Massey were given a hearty welcome as were visitors from Burnaby, White Rock and other outside points. Refreshments were served by W.A. members of the local group from a beautifully-appointed table set under the trees on the lawn. S.L. and Mrs. P. R. M. Laronde and Michele left on Tuesday for their home in Moose Jaw after spending three weeks with the former's mother, Mrs. L. Laronde. Society is the union of men and not the men themselves. —Montesquieu.

## RECIPE OF THE WEEK

If you have ever sojourned for any length of time in California, you are almost certain to have eaten one of the delectable cheese pies served in both restaurants and homes in that State. Sometimes the filling, the principal ingredient of which is cottage cheese, is combined with fruit pulp and bakes to a delicate brown. This week's recipe comes all the way from San Francisco and I think I can vouch for the goodness of its results for it is one of my "Southern" favourites. California canners have been canning peaches since the Gold Rush days—1856, to be exact. In B.C. it may not be quite so long, but we have peaches here from our own sunny Okanagan which take second place to none in the world. Just try this recipe some time this summer with your own home-canned peaches or any of the excellent tinned varieties to be found in any of our local food markets.

### PEACH CHEESE PIE

- 4 or 5 canned peach halves
- 1 cup cottage cheese
- 3 eggs
- 1/2 cup sugar
- 1/4 teaspoon salt
- 1 tablespoon lemon juice
- Pastry for single 9-inch crust

Drain peaches and crush thoroughly or force through a coarse sieve, to make 1 cup. Put cheese through a fine sieve. Beat eggs lightly and blend in sugar, salt, lemon juice, peaches and cheese. Turn into pastry-lined pie pan. Bake in very hot oven (450 degrees F.) 15 minutes. Reduce heat to moderate slow (325 degrees F.) and bake about 20 to 25 minutes longer, or until filling is set in centre. Cool thoroughly before cutting.  
Makes 1 (9-inch) pie.

### OCEAN PARK

Mrs. Handford, Lowewood Road, entertained recently at a children's party in honour of her daughter, Heather, who was celebrating her sixth birthday anniversary.

Marjorie Broatch and Derwyn Dunbar have sent in sufficient answers in the written replies to the Sunday School lessons for the intermediate group to qualify for

scholarship to Camp Artaban.

Mrs. J. Kanabe and daughter, Ann, returned to their home in Everett on Tuesday after a week's visit with the former's uncle and aunt, Mr. and Mrs. F. Hansford.

Mr. and Mrs. Earl Fowler, Miss Shelley Fowler and Mr. and Mrs. Fisher from West Vancouver, visited friends in the district on Sunday. All

are former residents of Ocean Park and Crescent Beach.

Mrs. A. C. Norwich and Mrs. A. E. Bibbs were hostesses to the executive of the W.A. of The Church of the Ascension on Tuesday afternoon at the home of the former.

White Rock Guides are making the most of their last few meetings before the summer recess. Last Company under Capt. Orther have been on a trail-laying expedition through the woods ending with a marshmallow roast. 2nd Company under Capt. Brown can be seen most Tuesday's near the beach trail swimming or cooking on bonfires. Both companies recently enjoyed an evening ball game and weiner roast together.

The Group Committee held their final meeting until September at the Peace Arch Park on May 27 when potluck lunch was enjoyed by all.

District Commissioner Mrs. A. E. Postill and District Capt. Mrs. M. Stager were present.

### Crescent Cub-Scout Tea Big Success

Crescent Beach-Ocean Park Cub and Scout mothers held a tea and home-cooking sale on Saturday, June 1 at the new Legion Hall on Stevenson Road. In charge of general convening were Mrs. J. Milne, Mrs. W. Short, and Mrs. A. Foster. Mrs. C. Smith and Mr. Denis Leary welcomed the

guests. Mrs. Wood, Mrs. D. Leary and Gail Wood assisted in the kitchen. Mrs. D. Hill and Mrs. Walter Johnson were in charge of home cooking. Serving were Karen Johnson and Gwen Smith. The winning ticket for the child's Indian sweater was won by Mrs. F. Dent. Mrs. C. D. Morris won a casserole, which was the door prize. The tea enriched the coffers of the Cub and Scouts by approximately \$75, so the efforts of Mrs. J. Milne and Mrs. W. Short were well rewarded.

The George Grimstons are receiving congratulations on the birth of a new son.

Mrs. J. Newman of 1771 Ocean Park Road was taken by ambulance to White Rock Hospital Saturday. Her friends wish her well.

### Legion Meets

Tuesday, June 11

White Rock Branch No. 8 of the Canadian Legion will hold their general monthly meeting, Tuesday, June 11 at 7:30 p.m. in the Legion Hall, Johnston Road.

The Branch, which recently purchased several chairs and Hollywood walkers for CARS, will discuss further community projects.

### Kinsmen Installations Set For September

V. B. S. Martin, manager of the Royal Bank, Johnston Road, will be formerly installed as President of the local Kinsmen in September.

Other officers elected at the May annual meeting who will be installed at the same time are: Rees Jenkins, vice-president; Steve Szlatko, treasurer; Al Anderson, secretary. Directors are: Ken Holdner, Charles McLaren and Len Strobel.

### Crescent POA Protest Comfort Station Site

Residents of the waterfront and vicinity at Crescent Beach are protesting the erection of a \$6,000 Comfort Station on the beach, which they claim would be unsightly, as well

as a menace to health, inasmuch as the sanitary disposal would adversely affect the immediate vicinity as a bathing beach. Commenting on the decision of the Municipality, Crescent Beach Property Owners' Association president, W. W. Hastings, pointed out that the former

post office building is owned by the Municipality and is equipped with plumbing.

"It seems to us that with but little expense this building could be adapted for use as a Comfort Station," said Mr. Hastings.

"We passed this suggestion on to the Municipality in the form of a Motion. After considerable delay it was learned that the Municipality had rented it on a lease for fifty dollars a month. Therefore if the Comfort Station was to be built, another location would have to be found, and the Association went on record as favouring a secondary location on the municipal property west of the Post Office."

Another member pointed out that he and his neighbors had discussed the matter in relation to the Restrictive Covenant covering the Crescent Beach district, and felt that they would be justified in seeking an injunction to halt the construction.

held at Newton.

Other officers are Mrs. G. N. Joyner, secretary; Mrs. A. Godfrey, treasurer; Mrs. Boyd, social convener; Mr. and Mrs. J. Cousley, H. A. G. Watts and Mrs. Craig will serve on the Ways and Means Committee; Mrs. Harris, membership and Mrs. Wolokoff publicity.

Mrs. Watts and Mrs. Van Horne were chosen representatives to the Surrey PTA Council.

### Parks Committee Urges Elected Boards

Lower Mainland Parks Advisory Committee, representing parks boards in municipalities throughout the area, will seek to have the provincial government rescind its legislation, contained in the new Municipal Act, which takes away from the municipalities the right to elect or appoint its parks boards.

This decision was made at the monthly meeting of the Committee held in Peace Arch Park.

### Victoria Firm Gets Surrey Hospital Job

G. H. Wheaton Construction Co. Ltd. of Victoria, won the bid for the Surrey Memorial Hospital. They submitted the lowest tender, with a bid of \$934,237. Equipment costs will run to another \$1,250,000.

The winning bid was approximately \$25,000 less than the second lowest. Five firms bid on the contract. The highest was \$1,052,723.

E. Hope-Johnson, president of Surrey Memorial Hospital Society said that Health Minister Eric Martin has approved immediate start on the building.

### Sash Panes to Replace Plate Glass At Ray Shepherd

Surrey School Board will replace plate glass windows smashed by vandals at Ray Shepherd School recently with sash panes.

Board Secretary M. Matthews said Tuesday it would cost nearly \$800 to install new plate glass windows. Cost of sash panes is much cheaper, he said.

Nearly every plate window in the school was smashed when a crowd of youngsters threw rocks through the glass. Residents in the area phoned RCMP but the gang had fled by the time police arrived.

### Board of Trade Treasurer Passes

Death came on June 1, in Vancouver, to Robert Crichton, late residence 15544 Cliff Ave., and formerly of Vancouver.

Mr. Crichton who was 74 had been treasurer of the local Board of Trade for the past two years. He was also a past president of the St. Andrew's and Caledonian Society of White Rock and a member of the Lawn Bowling Club. An ardent admirer of White Rock as a place to live, Mr. Crichton had many constructive ideas concerning the development of the City as a world-famous resort and retirement centre.

He leaves to mourn his passing his loving wife, Elizabeth (Bess), and 2 daughters, Mrs. Betty Williams, Winnipeg, Man., and Mrs. Isabelle Neff, Vancouver; 3 grandchildren; 1 brother, James, Montreal; 2 sisters, Mrs. J. Emmott and Mrs. Kate MacKenzie, both of Glasgow, Scotland.

Funeral service was held on Wednesday, June 5 at 11 a.m. in the Chapel of Chimes, Harrison Bros. Ltd., Vancouver, with Rev. T. Spencer Baynes officiating. Interment was in Forest Lawn Memorial Park.

### Beach Offenders

(Continued from Page 1)  
transferred from Juvenile Court to Police Court and pleaded guilty on a charge of assaulting RCMP Constable Robert McArthur, June 10.

Crescent Beach citizens will seek the services of Surrey's Auxiliary police force of 92 men to prevent further recurrence of the uprising. Permission must be obtained from Victoria.

White Rock did not escape from weekend rowdiness either as RCMP arrested four youths here Friday for causing a disturbance on the pier. Sentenced by Magistrate Hunter for Friday's trouble was Charles Joseph Kinney, 21, and Preven S. Nestor, 21, of Vancouver; \$20 each or 30 days for creating a disturbance. Two juveniles mixed up in the affray were remanded until June 17 for Juvenile Court.

### Dr. T. R. Blades Resigns as Coroner

Dr. T. R. Blades of White Rock has tendered his resignation as Surrey municipal coroner in view of the incorporation of this City, which rendered him ineligible.

Dr. F. D. Crofton of Cloverdale has been appointed to the position. The White Rock doctor recommended a Cloverdale physician should fill vacancy. Approval of Dr. Crofton's appointment must be given by the Attorney-General.

Dr. Blades, at present Commodore of the White Rock Yacht Club, was appointed coroner in 1953. City Council has not yet named a White Rock coroner.

Dr. Crofton has practised medicine in Cloverdale since 1950.

### Crescent Church Anniversary Service

To stream-line the work of the Women's Federation who are sponsoring the Friday week (14th) dinner at Crescent United Church, two "waves" will be organized—one at 5 and the other at 6:30.

It is to be hoped as many as possible of the nearby residents will be on hand for the "first wave" thereby leaving the way clear for the friends from more distant points such as Cloverdale, New Westminster, Burnaby and the Vancouver area.

The W.F. are out to better their past catering efforts and are coming up with a turkey dinner the flavour and quantity of which will be not soon forgotten. The Crescent W.F. are noted for their enthusiasm and organizing ability in such matters and are a major factor in keeping the church machinery running smoothly. Further details can be found in "Coming Events" column. A.E.R.
